

Jackie,

We wanted to thank you for such a fun day out with you and your gang! It was so nice to meet Walter and Lee Ann. Your team is always so much fun to hang out with, it seems like we've been together for years!

We were looking for "customer service" when we chose Skilled Care a year ago, and in return, Skilled Care has exceeded our expectations. Thank you again for the service you provide to our residents, and the outstanding customer service you continuously provide! We hope to join you in September to help you celebrate your 30 years of quality service!
