TESTIMONIAL FOR SKILLED CARE

My facility has only been using Skilled Care for a few months. However, they made the transition from our other Pharmacy extremely easy and smooth.

Skilled Care's Customer Service is unmatched. From the person who delivers the medication totes to the consultant Pharmacist to the staff working in the Pharmacy and the team for the Mock Survey, they have all been very courteous, polite, professional and very easy to work with.

The team assigned to the facility has been outstanding. They have gone over and above to try to meet our needs and to make any necessary changes go as smoothly as possible. They are always available for questions and problems and always get back to us with the answers.

I could not ask for a better Pharmacy.

Thank you Skilled Care.
